FAQ's

Some of our guests have specific allergies and dietary requirements - can you cater for these?

Absolutely, no problem. We find it easier (and less admin for you) to liaise with them directly so hook us up with their email.

Can we have a band or DJ?

We ourselves love a good party so YES, absolutely! Please note that they will be responsible for keeping it within the council noise control restrictions.

We'd like to decorate the wedding garden arch. Is this ok? Gorgeous! yes indeed.

We are renowned amongst our friends for our signature drink, can you provide this? Yes, within reason... lets discuss

Do you make wedding cakes? Love to make and love to eat! Tell us what you'd like.

We have more than 80 on the invite list. Can we accommodate more people! Unfortunately not for a sit down meal but we can do a cocktail style event for 100 people.

Can we use candles on the tables? Yes. However, if you use candles you will need to have something under them to collect wax or you could incur a laundry cost.

Can I bring my own alcohol? No sorry. But rest assured our award winning wine will complement your day perfectly. Allow on average \$35-45 pp for beverages. We are also happy to stock your choice of beers and other drinks.
